

## Rules in determining the team with best result in 2 games

### The best team is:

1. **The team with the most points.**  
(Winning 1 game gets 3 points. A tie gets 1 point.)
2. If there are more than 1 team having the same highest points, the best team is **the team with higher total goal difference.**
3. For teams with same points and same goal difference, the best team is **the team with more goals scored.**
4. If the best team still cannot be determined with the above rules, it will be decided by a tie-breaker to be advised by the BPGC Bump-A-Friend committee.

### The Final

If it remains a tie after the regular playing time, the champion will be decided by a tie-breaker to be advised by the BPGC Bump-A-Friend committee.
