Message | Balaam's Error
Dr. Anthony Lo

1. What do you notice from today's passage, message, or time of worship? What questions come up as you read Numbers 22:1-20?
2. As an individual believer, am I trying to follow God while still holding on to something that competes with His will? Am I seeking God's will or am I hoping God will approve what I have already decided?
3. Can you identify an area where your heart is divided? What is behind the struggle?
4. As a community of faith, how can we guard against Balaam's error? How can we protect ourselves and one another?

If you are able to, we encourage you to share a reflection or prayer request with another person that you would like to keep you accountable for in the week to come.
