1. What do you notice from today's passage, message, or time of worship? What questions come up as you read Ephesians 2:14-17?
2. What is your experience living as a visible minority in this Country? How have you experienced harassment or discrimination in white society?
3. Share what you know about the history of the relationship between Canadian natives and their encounter with Europeans, beginning with the fur trade, and the different legislations enacted to "manage" them?
4. As you think about the history of the native peoples, how does your experience as a minority help you enter the trauma and pain of our native neighbours?
5. Paul writes that Christ is our peace, bridging gaps between us and God, and us and others. What might this look like in your own life?
